A recent celebration of an ancient "rush-bearing wake," in and anything but with sweet herbs. An entry in the people, household roll of Edward II informs us change

palaces. One of the old historians incidentally remarks that, after Elizabeth had dined the remains of the feast were habitually cast from the table on to the rushes underneath, and the dogs came among them may be easier imagined than described. In the earlier part of the sixteenth century, Erasmus wrote a letter to his friend, Dr. Francia, physician to Cardinal Woolsey, in which he condemned the use of rushes as most condemned the rush condemn unclean, and a prolific source of dis-

ease. According to his statement, the lowest layer of rushes often lay undisturbed on a floor for twenty years, and the dirt and foul matters concealed therein (beer, greese, and fragments of victuals) sent up powerfully-unsavory odors that offended the nostrils and engendered pestilence. Erasmus recon mended the banishment of rushes, and a better ventilation in houses, as sanitary measures demanded for the health

of the people.

The first English theatres were carpet Mountains, in the North Park, on the ed on the stage with rushes. The Globe 10th of last September, when they met Theatre was thatched with the same with a misfortune which cost one of the light, combustible material; and during party his life. The party arrived in camp late one night after a day's hunt and ramble over the hills. After a hearty supper the party lay down on their blaukets around the fire, which had been built in the cleft of some large quartz rocks, and all were soon fast asleep. Mr. Straley was awakened in the night by a heavy weight upon his

More rushes, more rushes! [Henry IV., Act 5, Scene 5.]

Out of the custom of strewing th earthern or paved floors of churches with rushes, grew a religious festival called the Rush Bearing, or the Rush-Bearing Wake. In remete parts of En-gland it is still perpetuated. On the top of a cart laden with evenly cut rushes, artificial flowers and surrounded with Time from Louisville to Naw York

RATES OF ADVERTISING IN DAILY: rushes and straw, occasionally mingled sonal power, and not the good of the with sweet herbs. An entry in the household roll of Edward II informs us that a certain sum was paid for straw brought from York to Newcastle for the King's chamber. Froissart relates that the room in which Gaston, Count de Foix, died was strewed with rushes and green leaves, and had the walls hung with fresh boughs, for the sake of their divisions of the sake of their coolness and perfume. Two or three deaths would

coolness and perfume.

Even Queen Elizabeth, in all hergrandeur, swept her gorgeous robes over a carpet of rushes as she moved about her palaces. One of the old historians invisitors to Rome, editors of clerical journals, etc., etc.; the name is legion o the gente, who daily seek an audience of the Holy Father, and his benediction As the rushes were not often renewed the fifth that accumulated and festered stairs faster than any of the Control of the Vatican on clear days; on many days in the Raphael Loggie; and goes up and down stairs faster than any of the Control of the

And so they are, it is true. His Holiness has never left the Vatican since the autumn of 1870, four years this very day, or to morrow, when he went to the Termini Piazza, opposite the Baths of Diocletian, and blessed the Aqua Pio Mareia and the new fountain. During these four years the Cardinals and Monsignore of his Court have suffered greatly from the Vatican confinement; they have to leave Rome at certain periods for change of air; some have died; others have been afflicted with alarming illnesses; Cardinal Amat has lately had a stroke of apoplexy; but His Holiness seems to thrive on that which is so injurious to the others-confinement.

The smallest postoffice in the world i an old beaten and battered barrel suspended by a rusty chain from the outer most rock which overhangs the Straits of Magellan, opposite Terra del Fuego. Every ship that passes assists in distrib-uting the mails left in this solitary spot.
